Modern Prairie

The "modern prairie" theme is also the inspiration for the bobiBLACK collection this season. The styling is very modern, contemporary, and cool, but there is a softer feeling overall which can be seen in the color and fabric choices. The georgette styles have a very sophisticated yet natural feel. The linen group is a softer interpretation of the separates in the collection. The mixed knit styles are very forward, but the use of soft blue and tan colors give the overall line a cohesive and fresh look.
